By 2013, State Parks will receive 100 park improvement gifts ("100 Connections" identified in the Centennial 2013 Plan) from community supporters. By June 30, 2007, park rangers will have a catalog that they can hand out to potential partners that describe the costs, plans, and benefits of the "100 Connections" projects. At least 20 projects will be completed and another 30 are underway. To help people understand the value of the state's natural and cultural heritage, each state park area will host at least monthly interpretive programs, events, or recreational opportunities seasonally that satisfy an ever-growing number of park visitors by June 30, 2007. This activity also contributes to the occupancy rate measure listed with the Park Reservation System activity.
